

DuPont™ Neutrafoam

MULTIPURPOSE HIGH FOAMING CLEANER

DuPont™ Neutrafoam is a neutral pH high-foaming detergent that creates a thick, stabilized, long-lasting foam on surfaces to effectively and efficiently penetrate and lift dirt. It is formulated for use on soft metals, such as copper, brass, and aluminum.

Overview

DuPont™ Neutrafoam is recommended for use in truck wash, all transportation vehicles, manual cleaning, food processing, hatchery and animal confinement facilities where a neutral pH is desired.

DuPont™ Neutrafoam:

- Is tolerant to hard water.
- Has a neutral pH.
- Is formulated with biodegradable detergents.
- Is nonylphenol ethoxylate and phosphate free.
- Has excellent end-use compatibility with DuPont disinfectants.

Components

Water
Surfactants

CAS No.

7732-18-5

Mode of Action

DuPont™ Neutrafoam penetrates deposits by lowering the contact angle between the solid and liquid interface, enabling easy removal of solids.

Directions for Use

For complete instructions on product use, handling and safety, always read and understand the product label and MSDS before use. The information set forth herein is furnished free of charge and was prepared as a possible aid to use when considering the product. Anyone intending to use recommendations or information contained in this handout should first be satisfied that the information is suitable for their application and meets all safety and health standards appropriate for their intended use.

Physical Properties

State	Viscous liquid
Color	Clean, green
Odor	Mild
pH	7.0 - 8.0
% Volatiles	85 - 86%
Boiling point	212°F
Freezing point	32°F
Solubility in water	100%

Dilution Rates

Foaming	0.5-3 oz/gal
Low or high pressure spraying	0.5-2 oz/gal
Vehicles	0.5-3 oz/gal

Safety and Precautionary Statements

CAUTION: May cause eye, nose and throat irritation. Avoid contact with eyes, skin and clothing. Avoid breathing vapor or mist. Wear safety glasses. Where splash potential exists, wear chemical splash goggles. Where there is potential for skin contact have available and wear as appropriate impervious gloves, apron, pants and jacket. Wear NIOSH approved respiratory protection, as appropriate. Use and store only with adequate ventilation. Wash thoroughly after handling.
