
Are You a Pig Producer?

Did you know Alberta Pork has resources available for you?

Resources on ...

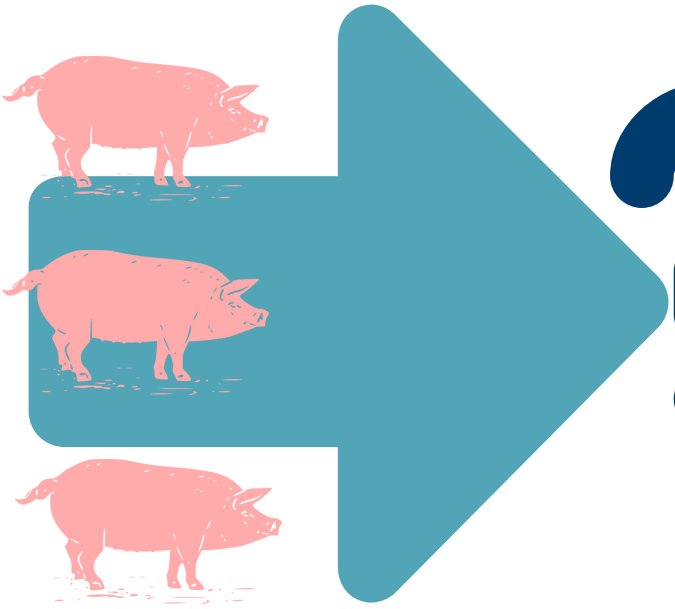

- Biosecurity
- Animal Welfare
- Traceability
- Market Reports

Do you have a Premises Identification (PID) number?

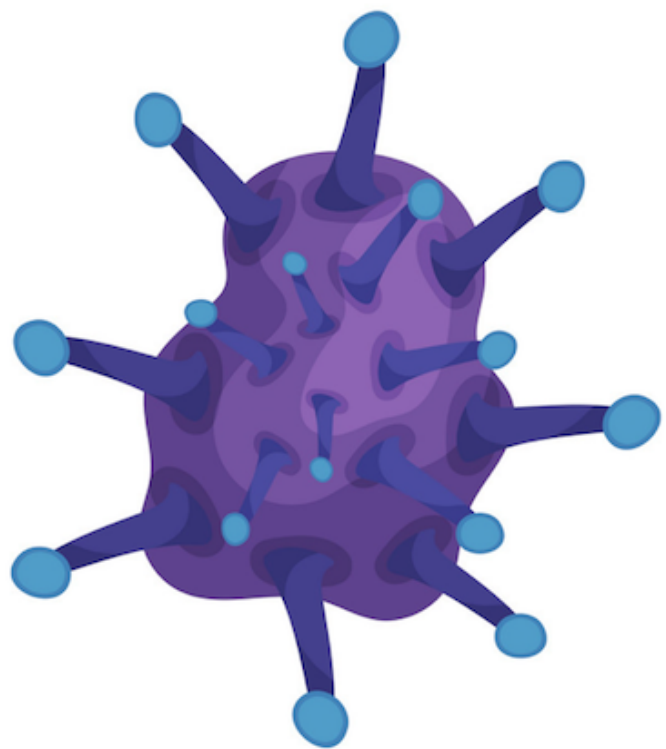

- A PID links livestock to land locations
- Registration is free through Alberta Agriculture and Forestry
- A PID allows free **Premise Registration** with Alberta Pork

Registration is important for:

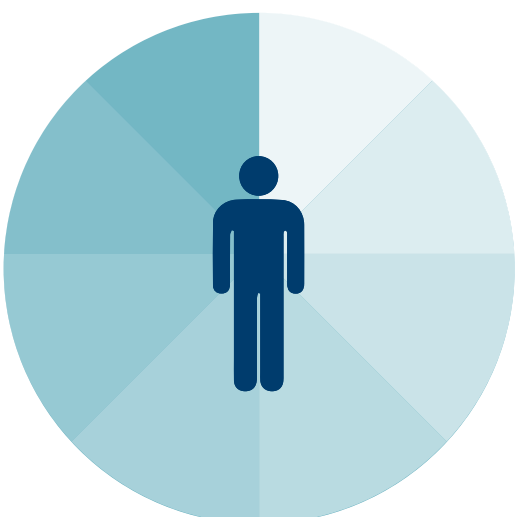

Disease outbreak notification

- Receive updates on the spread of infectious diseases
- You are **directly contacted** if you are within a **5 km radius** of an outbreak

Maintain your Confidentiality

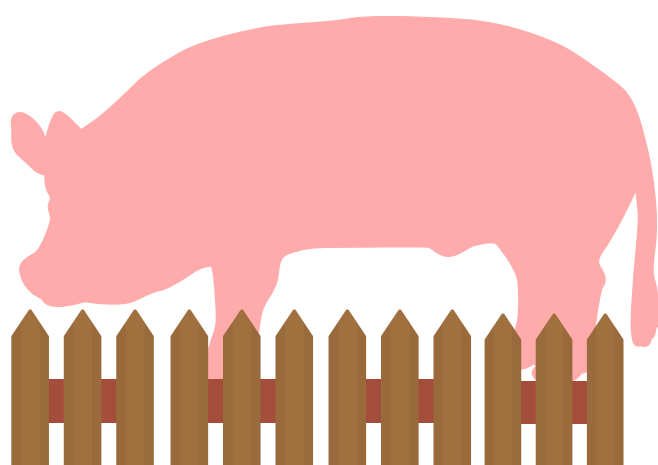

Your private information is protected and only used to keep you informed

Information for Small-Scale Pig Producers

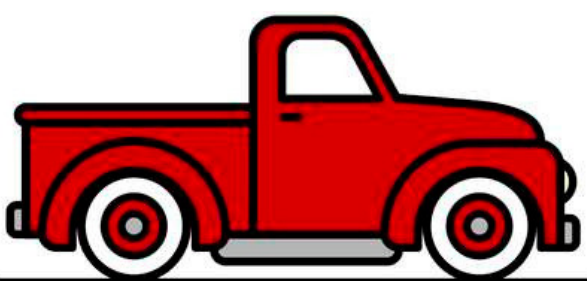

Information is easily accessible on the Alberta Pork website

Details on:

Swine health

Feeding

Transportation

Outdoor considerations and more ...
